PROFESSIONAL EXPERIENCE

Junior Software Developer
Inspace | Australia (Remote) | 2023 – June 2025
- Built immersive 3D web apps showcasing architectural models, integrated with Azure + PostgreSQL.
- Led front-end optimization using Figma, React, Tailwind, and Vite for enhanced UX and performance.
- Streamlined project coordination via Miro, Slack, and Monday.com, improving delivery speed.
- Collaborated with 3D artists to deliver responsive and interactive design presentations.

Web Developer
UPDigital Group | USA (Remote) | 2021 – 2023
- Converted Figma/PDFs into responsive, pixel-perfect sites using HTML, Tailwind, JavaScript & PHP.
- Developed PWA templates and custom WordPress components, optimizing for SEO and speed.
- Diagnosed and resolved complex bugs using DevTools, Lighthouse, and Git.
- Ensured consistency with reusable UI components and visual themes across platforms.

QA Team Lead
QA World | USA (Remote) | 2017 – 2021
- Created QA guidelines and training programs adopted by 100+ analysts.
- Delivered coaching and performance reviews, raising team accuracy and output.
- Compiled QA reports with actionable insights for process optimization.

Web Developer / Virtual Assistant
Kentucky Mountain Bible College | USA (Remote) | 2016 – 2018
- Built and maintained the school's website; implemented SEO best practices.
- Handled billing via QuickBooks, proofreading, and social media content creation.

Reservation Sales Specialist
IHG Hotels | Philippines | 2016 – 2017
- Provided personalized reservation support while achieving sales goals.

Customer Support Consultant
Sitel / Capital One | Philippines | 2014 – 2016
- Resolved account issues, supported escalations, and maintained satisfaction KPIs.

ABOUT ME

Versatile software developer and quality assurance lead with 7+ years of experience delivering full-stack web solutions, scalable front-end apps, and high-performing QA teams.

From developing immersive 3D pages at Inspace to optimizing SEO and user experiences at UPDigital, I combine clean code, modern frameworks, and user empathy to craft elegant solutions.

I thrive in remote, agile environments and bring deep collaboration and mentoring skills to every team.

EDUCATION

- **Full Stack Web Development – VIVIXX Coding Bootcamp | 2020**

- **BA in Sacred Music & Theology – Covenant School of Ministry and Divinity | 2016**

- **BS in Psychology – University of Baguio | 2013**
